

Wireless dual PIR and MW motion detector - grey

Code: JA-162PW-GR

Product description:

The detector features a white lens that provides standard white light immunity as defined by the norm (up to 6000 lux). The immunity to false alarms can be set at two levels, PIR and MW. The detector operates with a pulse reaction and takes up a single position in the system.

This device is compatible with JA-103K, JA-107K, JA-102K control panel units and upper models.

This device is compatible with JA-103K, JA-107K, JA-102K control panel units and upper models.

Technical information:

lithium battery, type: CR123A (3 V/1500 mAh) ase note: Batteries are not included.
